

You are warmly invited to attend the
Communities Against Cancer
Engage Event

Tuesday 9 March 2010

1.30pm - 3.30pm
Lunch at 1pm

The event will take place at
Elms Community Centre,
Green Lane,
Whitefield, M45 7FD

This exciting community event will take a look at the importance of early diagnosis in cancer and how community engagement can really make a difference to the neighbourhood and the people around us.

Communities Against Cancer is a joint working project designed to raise awareness of the early symptoms of breast, bowel and lung cancer within Bury.
