<b>Event title</b>	<b>Healthcare Associated Infections Campaign Learning &amp; Sharing Event</b>
<b>Date</b>	<b>24<sup>th</sup> February2010</b>
<b>Author</b>	<b>Barbara Allen</b>
<b>Overview of Event</b>	<p><b>This event at the NHS Institute of Improvement and Innovation was a disappointment to me. I had hoped we would learn something new but I felt we were there only as a tick box exercise.</b></p> <p><b>The Patients Association had been asked to give their eight top tips on Infection Control, at a group discussion we decided that they perhaps were ok but not the top tips we would have suggested.</b></p> <p><b>Apart from the members from the Patient Council patient representation was not good.</b></p>
