Event Title	Annual Involvement Day for User Carer Forum for Older People
Date	15th March
Author	Hazel Healey
Overview of Event	<p>The event was very well attended and there were plenty of information stalls for the public. The event concentrated on the Power of Partnership with speeches about older people having more choice and control over their lives with the statutory organisations and the voluntary sector. We were informed that personal budgets will start to be offered in the new financial year. Everyone applauded the actors who showed us how to deal with bogus callers and there was a discussion about the new prescription changes.</p>
