

Patients' Council Diary of Events Report Form

| | |
|--------------------------|---|
| Event Title | Foundation Trust Meeting |
| Date | 30/11/09 |
| Author | Hazel Healey |
| Overview of Event | It was a badly attended meeting. I thought that more of the general public could have gone. I still don't know everything about this subject yet but it was mentioned that The Patients' Council could be playing a part in the governance if Foundation Trust status becomes a reality. |
