

Patients' Council Diary of Events Report Form

Event Title	Visit to the New Women's and Children's Unit at North Manchester General
Date	15th June
Author	Hazel Healey
Overview of Event	<p>The new unit is outstanding and the patients using it will be impressed by the latest, most modern facilities. Not only is it a wonderful environment for patients but also for the staff. Children will love using the Sensory Room and the women and child patients will be amazed at how patient focused the unit is. It has forty-six maternity and twenty-seven children's beds as well as nineteen cots for sick and premature babies and there are three floors in the unit. If children need to be inpatients, parents will be able to stay with them.</p>
